Visit munchkinccg.game for a complete list of cards.

For your first game, take these Neutral cards:

Barbarian the Librarian

BOD-E Guard

Land

Eleven-Foot Pole

Chainsaw of Bloody Dismemberment

Hammer Time

Drop Bear

Vanillamental

Walking Dreads

Crusty Disgusty

Blandy McBlanderson

Lame Goblin

Card Shark

Ferrous Oxide Monster

Gazebo

Budget Sasquatch

RNGesus

3,872 Orcs

Then choose your Hero card.

Add any Neutral cards or cards that match your Hero's class that you find in your booster packs.

If your deck has more than 40 cards, remove any cards you choose until you have exactly 40 cards. Your deck may not contain more than three copies of any card.

Cards with the same name are considered the same even if the art is different.

With these 40 cards and your Hero card, you're ready to play!

Experiment with your selection of cards to become a master of the

Munchkin Collectible Card Game!
